

4th International Conference on Sensitivity Research Call for Submissions

Call for Submissions

The **4th International Conference on Sensitivity Research** will take place on **June 19th 2026** at the **University of Pavia, Italy** (close to Milan).

The conference on sensitivity will feature presentations on recent research on sensitivity, a poster session, a panel discussion, as well as plenty of opportunities to interact and network, including an optional dinner and optional applied workshop.

Besides the invited programme, we welcome submission of abstracts for a limited number of talks and posters on any recent research on sensitivity.

We welcome the submission of abstracts for talks and posters on any recent research related to sensitivity.

Submission deadline: 28th February 2026

Submission Guidelines

You may submit abstracts for **talks** or **posters**:

- **Talks:** 10-minute presentation followed by 5 minutes of Q&A
- **Posters:** Interactive poster session in the afternoon

Please indicate in your submission whether the abstract is intended for a **talk or a poster**. If you submit an abstract for a talk, please also indicate whether you would be happy for your abstract to be **considered for presentation as a poster** in case it will not be selected for a talk (the number of talk slots is limited).

Abstract Requirements (Talks and Posters)

- **Length:** Maximum 300 words
- **Structure:**
 - **Title:** Concise and informative (maximum 10 words)
 - **Authors:** List all authors and their affiliations
 - **Presenting author:** Indicate the presenting author
 - **Background:** Provide the context of your research
 - **Methods:** Briefly describe the methodologies used
 - **Results:** Summarise the main findings
 - **Conclusion:** Highlight the implications and significance of your results

Key Information

- All abstracts will undergo **peer review** by the scientific committee, based on originality, relevance, and scientific rigour.
- Only **empirical research** will be considered, with priority given to **new and unpublished findings** (or findings published recently, from May 2025 onwards).
- Only **in-person presentations** can be considered (no remote presentations).
- Authors of accepted abstracts must **register for the conference** to present their work.

Submission Process

Please submit your abstract in **PDF or Word format** by email to events@sensitivityresearch.com.

Authors will be informed of the outcome of the peer-review process by **mid of March 2026**.

For further information,
please visit <https://sensitivityresearch.com/>
or contact us at events@sensitivityresearch.com

We look forward to receiving your contributions and hope to welcome you at **the University of Pavia** for an engaging and insightful conference.

Join us in shaping the future of sensitivity research!

Warm regards,
Francesca Lionetti, Michael Pluess and Corina Greven
